

**ROBERT COLLEGE
ISTANBUL, TURKEY**

Chemistry Teacher
Full-time position

Robert College Science Department is seeking a full-time **Chemistry Teacher** to work with highly motivated students for the 2024-2025 education year.

Required Qualifications and Skills:

- Have at least a B.A. or B.S. degree in the content area to be taught and a recognized teaching certification from a state educational authority (PGCE suffices for UK applicants). ***Both the degree and teaching qualification are required for approval by the Turkish Ministry of Education.***
- Fully and highly qualified, fluent English-speaking teacher with excellent verbal and writing skills.
- Preferably a minimum of five years of relevant teaching experience in a comparable secondary level setting.
- Should be prepared to teach a range of lab-based Chemistry courses that could include Chemistry, Chemistry 2, AP Chemistry, or Organic Chemistry.
- Should be motivated to be a part of a collaborative team of chemistry teachers.
- Should be prepared to deliver high-quality instruction, meaningful student assessments, provide constructive student feedback, analyze student data, and use data to improve instruction.
- Has to be able to maintain instructional practices that establish high expectations and creates a safe and effective learning environment.

Interested applicants who meet the qualifications should write to rchr@robcol.k12.tr by **December 31, 2023** including an updated CV, a cover letter and contact details for at least three professional references.
