

Technical Director of the Theater

Full-time position

Robert College Dean of Student Activities Department is seeking a Technical Director of the Theater.

Position Purpose:

Reporting to the Theater Director and Dean of Student Activities, the Technical Director of the Theater is in charge of preparing and running the technical aspects of all events on campus, including concerts, dramas, musicals, lectures, flag ceremonies and more. It is essential they create a welcoming, supportive atmosphere for those hosting events in the theater, the student performers and the members of the audience. In addition to experience running sound and lights and constructing a set, being able to troubleshoot, maintain and update the equipment is essential as well as ensuring the different venues are safe.

The Technical Director also mentors young students throughout the year, helping them to develop their skills in the technical aspects of the theater.

Required Qualifications and Skills:

- B.A. degree in a relative field.
- Have excellent written and verbal communication skills in English and Turkish.
- Have a minimum of 3 years of experience operating lights and sound at shows.
- Experience working with high school students.
- Excellent team-building and organizational skills.
- The ability to work flexibly and patiently with people of diverse need, experience and backgrounds in order to help them carry out the vision for their event.
- Be willing to work on flexible hours, including working early mornings, evenings and weekends.
- Be a pro-active and creative problem solver and be calm under duress.
- Demonstrated professional and personal integrity.

Interested applicants who meet the qualifications may complete the online ***application form for non-academic positions*** and send it to rchr@robcol.k12.tr by **May 10, 2024** including the contact details for at least three professional references.
