

ROBERT COLLEGE

ISTANBUL, TURKEY

General Science Teacher

Part-time position

Robert College Science Department is seeking a part-time **General Science** to work with highly motivated students for the 2024-2025 education year.

Required Qualifications and Skills:

- Have at least a B.A. or B.S. degree in the content area to be taught and a recognized teaching certification from a state educational authority (PGCE suffices for UK applicants). ***Both the degree and teaching qualification are required for approval by the Turkish Ministry of Education.***
- Fully and highly qualified, fluent English-speaking teacher with excellent verbal and writing skills.
- Preferably a minimum of five years of relevant teaching experience in a comparable secondary level setting.
- Should be prepared to teach a preparatory year General Science course that would integrate the foundational skills and content needed for Biology I, Chemistry I, and Physics I.
- Should be motivated to be a part of a collaborative team of science teachers.
- Should be prepared to deliver high-quality instruction, meaningful student assessments, provide constructive student feedback, analyze student data, and use data to improve instruction.
- Should be willing to explore and implement innovative approaches to teaching such as project-based and flipped learning.
- Has to be able to maintain instructional practices that establish high expectations and create a safe and effective learning environment.

Interested applicants who meet the qualifications may complete the online **application form** and send it to rchr@robcoll.k12.tr by **May 31st, 2024** including the contact details for at least three professional references.
